

Alternate Travel Routes During Construction Bon Air Bridge Replacement Project

Bon Air Bridge Replacement Project construction has begun. The work area is Bon Air Road from Magnolia Ave to S. Eliseo Drive. Bridge construction is anticipated to be complete in Spring 2022.

Below are alternate routes to avoid travelling near the project area during construction. Please see the reverse side of this flyer for detailed instructions.

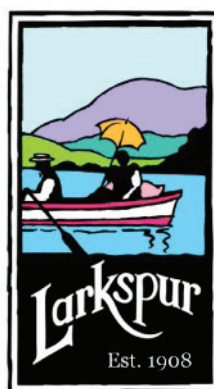

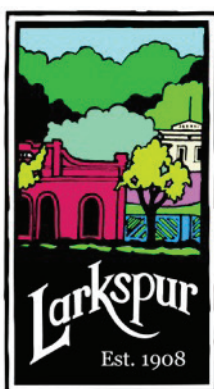

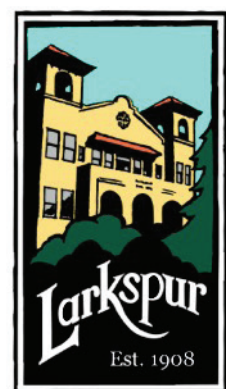

Alternate Travel Routes During Construction Bon Air Bridge Replacement Project

Alternate Routes - North of Bridge (Sir Francis Drake Blvd):

- Take Sir Francis Drake Blvd (headed west) to College Ave. Turn left on College Ave (it turns into Magnolia Ave).
- Take Sir Francis Drake Blvd (headed east) to Hwy 101 South. Take Hwy 101 South to exit 450 A (Fifer Ave) toward Lucky Drive. Turn left onto Lucky Drive (it turns into Doherty Drive) and continue to Magnolia Ave. Turn right on Magnolia Ave.

Alternate Routes - South of Bridge (Magnolia Avenue):

- Take Magnolia Ave headed west (it turns into College Ave) to Sir Francis Drake Blvd.
- Take Magnolia Ave headed east to Doherty Drive. Turn left on Doherty Drive (it turns into Lucky Drive) and continue to Fifer Ave. Turn right onto Fifer Ave and take the first right onto Tamal Vista Blvd. Turn left onto Warnum Drive (go under Hwy 101) and then turn left onto Redwood Hwy (headed north) and proceed to the Hwy 101 North entrance lane at the intersection of Industrial way. Turn left onto the Hwy 101 entrance and stay in the right lane until the roadway splits at the San Anselmo/Richmond Bridge junction. Continue to the left, toward San Anselmo/Fairfax and proceed under Hwy 101 until the roadway merges with Sir Francis Drake Blvd (headed west).
- Take Magnolia Ave headed east to Doherty Drive. Turn left on Doherty Drive (it turns into Lucky Drive) and continue to Fifer Ave. Turn right on Fifer Ave to access Hwy 101 South.
